International Model United Nations

Campus Ambassador Intern

Feb 2022 – Apr 2022

Delhi, India

International MUN brings youth together from around the world to learn and share ideas from a diverse set of experience and ideas in its online and offline conferences being held in 5 different countries in last 3 years. IMUN is sponsored and supported by the United Nations and by The Australian Embassy in Vietnam and Thailand. IMUN is a simulation of actual UN conferences to assign various tasks to students from different countries around the world like doing research and debate on finding solutions to various global issues. The topics taken up during the MUNs are a reflection of real-world issues discussed by the United Nations. Participating in the MUNs helps the youth develop: i) Leadership Skills ii) Research iii) Public Speaking iv) Writing Skills v) Problem-Solving Skills vi) Knowledge on Global Affairs vii) Confidence-Building viii) Analytic Skills ix) Diplomacy x) Networking
